[The Regions Logo appears. Upbeat music begins to play, and the words Regions Xpress Connect<sup>SM</sup> appear. The green triangle of the Regions logo turns and morphs into a play button icon. A cursor clicks the play button.]

**VOICE-OVER:** Managing and delivering statements and invoices doesn’t have to be time-consuming, complicated or costly.

[A light gray circle appears in the center of the screen. A desktop monitor and plant slide into the center of the frame. Three statements rise up over the desktop. A light green cloud starts to move into the frame. A clock dissolves in with both hands moving. Dollar signs are coming out of the clock.

**VOICE-OVER:** With the Regions Xpress Connect<sup>SM</sup> platform you can quickly and easily connect to the cloud from almost anywhere, anytime, and manage a wide variety of communications from a single dashboard.

[The invoices start coming out of the top of the computer monitor and into then out of the cloud above it. An Xpress Connect dashboard appears on the computer monitor.]

**VOICE-OVER:** Create, change, approve, produce, and distribute print and electronic statements, invoices, letters, text messages and email in just minutes.

[The invoices floating around the cloud then go down next to four different people. Text on screen says, “Print, Invoices, Text and Email” and is next to each person.]

**VOICE-OVER:** Improve customer service with archive functionality, which gives you real-time access to historical customer documents in the cloud and allows you to view correspondence when talking with customers.

[The screen shifts and three of the people are around a spinning circle with a green folder in the middle of it. Invoices are spinning around it counterclockwise. A woman slides in from the left and is looking at a computer monitor. A woman is

above her with a conversation bubble above her image. The two appear to be talking to one another.]

**VOICE-OVER:** And simplify vendor management for print and digital communications with print & mail services, including integrated real-time variable printing, text messaging, email and data processing.

[The woman remains looking at the computer monitor, when four gray dotted lines come out of the monitor and into small green clouds. Each has a different icon for video editing, mail, printer and a document. The four green dots appear to slide to the next screen with four people underneath the dots. There is a green cloud on top with gray lines connecting the dots above all four people. The words, "Printing, Text messaging, Email and Data processing," are below the people.]
